Practice on your golf Bob,  
Even though right now  
you drive like Jack Nicklaus  
hit your long iron  
like Arnold Palmer  
hit your middle iron  
like Tony Lama, hit your  
short iron like Dave Marr  
and putt like Billy Casper  
But you still score like Bob Betty. Have fun this summer.

# A School Begins Its Role In Education

## FHS 1922

Franklin High School, as we know it, began its role in education in 1923 when as a building it had been erected--only a construction. Since then it has risen as a tower in the fond memories of over forty graduated classes.

Each class has changed little by little the character of "ole FHS" until now in 1966 it scarcely resembles the FHS of 1922 at all in its construction, students, faculty, classes, sports, and activities.

The curriculum of Franklin High School has broadened in scope to include many new subjects through the years. Those added just this year are drama and speech, art, and office machines.

The facilities of our classrooms have also greatly changed since the beginning. Above are pictured typical math classes and science classes of then and now. It can clearly be seen that these improvements have helped the students to understand more quickly.

In the field of music FHS has grown from a ten piece orchestra to a fifty-seven piece band. The band has changed uniforms several times and this year has added the uniform pen lights. These additions are a result of time marching on in a growing school.

The Glee Club, or the Chorus as it is now called, has also shown many alterations through the years. It has constantly increased in membership; in 1965 was considered as an accredited course. Again the picture shows there is a change in the appearance of the group.

A school is often measured by the volumes in its library. Each year the library has become more useful to the students. Because of this growth, students each year are offered a wider choice of both entertaining reading and research sources.

As a school expands, so does its extra-curricular activities. Through the years Franklin High School has formed clubs which help the community, the school, and the individual. Above is pictured a comparison of the Monogram Club and the present Varsity Club.

Athletically FHS has changed considerably too. At first athletics included only varsity football and boys' and girls' varsity basketball. Today our school offers athletic opportunities in the additional fields of golf, track, and tennis. Because of these new teams, more students have been able to participate in sports.

The school grounds, along with the appearance of the students, has added its variety to the school character. Styles of clothing, hairstyles, the trees and bushes of the school grounds; as this picture shows even the smallest item, such as a water fountain has greatly varied through the years.

# IN MEMORIAM

Buford Spiers  
October 6, 1947 -- December 18, 1963

### MOST STUDIOUS

Linda is a very good student  
And is always very prudent.  
Studying is the kind of work  
From which she will never shirk.

Roger, Roger what's that you're doing?  
In that book your nose is glueing,  
Getting ahead, I would say  
Storing knowledge for a rainy day.

Linda Jakeman  
Roger Spence

### MOST LIKELY TO SUCCEED

Sheila is most likely to succeed;  
In life she'll take the lead.  
She works forever hard and steady;  
To meet life's challenges she'll always be  
ready.

Waite is a very ambitious guy;  
His ideals are set very high.  
He will go extremely far  
Cause his old jeep is hitched to a star.

Sheila Gardner  
Waite Rawls

### BEST LOOKING

Beauty is a virtue pure  
And Sandra has it for sure  
Shinning hair, beautiful eyes  
She's admired by many guys.

It's the female's turn to stare  
At that handsome boy over there;  
With such good looks one will agree  
Jerry is just as handsome as handsome  
can be.

Sandra Bryant  
Jerry Branch

### FRIENDLIEST

Sarah Page is forever grinning  
And many friends she's always winning.  
She's constantly there with a friendly greeting  
No matter at what place of meeting.

We all like him, you bet;  
A friend to all he ever met.  
A warm hello, a friendly smile  
Will take this boy many a mile.

Sarah Page Gehrken  
Elliott Whitfield

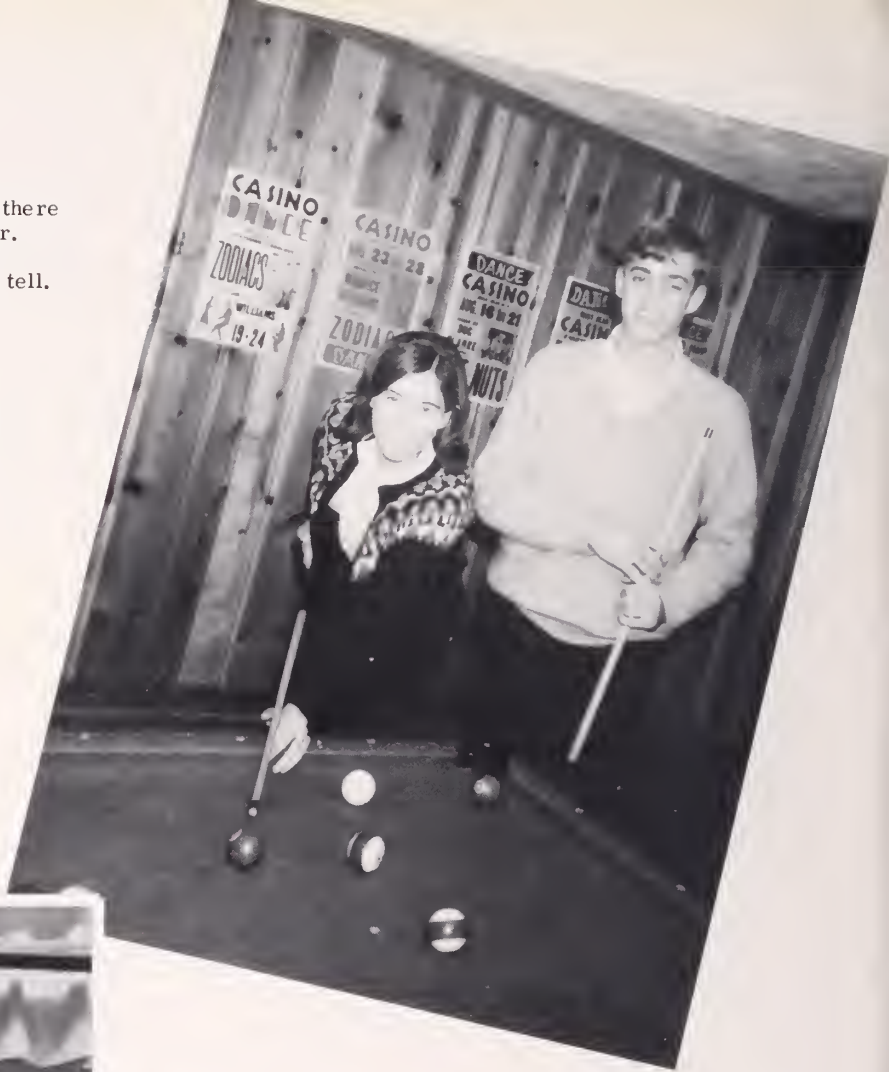

### MOST VERSATILE

Susan's the girl who is continually there  
Occupying this or that official chair.  
She's able to do many things well  
What she'll achieve next, you can't tell.

Most versatile we call "Boo"  
Cause there aren't many things he  
can't do.  
He leads the gang and plays ball;  
You name it, he does them all.

Susan Powers  
Westbrook Parker

### MOST POPULAR

She's here, She's there, without a doubt  
No wonder she's a gad about!  
Popularity is the word  
No doubt about it, it's not absurd.

Wanted over the country side, far and near  
But mostly wanted by his school here,  
The boy with the winning personality streak  
For most popular it's Bill we seek.

Maxine Day  
Bill Delk

## MOST ATHLETIC

Though Rin is always on the floor  
She helps the team just a little bit more.  
She's up, she's down, she's all around  
That's why she won the most athletic crown.

Basketball, football, and track too  
Billy's actions pull us through.  
And as by now you can guess  
He's F.H.S.'s very best.

Rin Henry  
Billy Atkinson

## WITTIEST

Becky's the girl who's fun to be around;  
We all know her laugh to be the funniest sound.  
She spreads wit to every lad and lass  
Since she's the wittiest girl in our class.

When the going gets tough and grim,  
For a joke, a sunny word, we turn to him.  
He is truly witty and full of joy;  
In fact, we know no funnier boy!

Becky Williams  
Bobby Eubanks

# STUDENT CO-OPER

The student government was previously known as the Student Council. In 1964 Franklin High School became affiliated with the Student Co-operative Association. Although this affiliation has changed several phases of the group, the basic functions of the group are still the same.

This year the SCA sponsored again the student-faculty game. The organization also sponsored a magazine drive. The purpose was to obtain additional funds for the new school.

SEATED: Patricia Rawls, Karen King, Janet Burrow, Susan Lowe, Rita Winstead, Westbrook Parker, Tommy Johnson, Susan Gehrken, Carole Burgess, Donald Blythe, and Jerry Branch.

## THE HONOR COUNCIL

The Honor Council's purpose is to promote honor and integrity of character among the students of the school. It consists of a president and an elected member from each class. The Honor Council carries out its purpose by talks, posters, and honor pledges.

When a student enters high school, he automatically comes under the jurisdiction of the Honor Council. All students should feel that they are a part of the honor system, because it is their duty to work and study honestly and to encourage others to do so.

Homemaking is no longer a course composed of just cooking and sewing geared for those unable to pass academic classes. It is a course which offers a great variety of interest because the field is such a broad one. The importance of home economics is becoming more widely recognized. At least one year in home economics is a decided advantage for a college bound girl as well as a future homemaker.

*Bob, Self is a great sport, I wish I could play it and I also wish I could play football too. ha' ha'. Don't forget about our great classes together. M: A's and my best wishes I will be (42)*

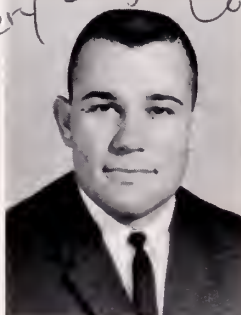

The mighty Broncos of Franklin completed their first undefeated season since 1939 with a 10-0-0 record. Billy Atkinson led the Broncos, as well as the district, in scoring and rushing with 1173 yards and 114 points. The Franklin defense, second in the state, was probably the best ever fielded by the Broncos. They allowed only 19 points in the whole season. Deshields led the Broncos in passing with 238 yards. Bill Eley was the leading receiver with 121 yards on 7 receptions. Dickie Surace, one of the finest Bronco place kickers ever, made 26 points in 38 tries.

At the post-season coaches' meeting, Billy Atkinson, Bobby Eubanks, Tony Surace, Dickie Surace, and Frank Whitehead were named to the all-district team. Danny Morgan made honorable mention. Coach Ledford was the unanimous choice for Coach of the Year.

# PRACTICE

## FRANKLIN . . . 27—SUFFOLK . . . 0

Hundreds of Broncos fans packed Peanut Park for the season opener. The Broncos dominated play, but the score was 7-0 going into the 4th quarter on a touchdown by Atkinson. Doodle Underwood ran for a 67 yard touchdown but it was called back. Then Hollowell scored three times: a run, a five yard pass from Rabil, and a pass from Deshields. Bobby Eubanks, the bulwark of the Franklin offense and defense, was selected player of the week.

## FRANKLIN . . . 33—FOREST GLENN . . . 0

After being rained out on Friday night, the Broncos and Rangers were ready to play on Saturday night. The Broncos again showed their winning style, with Atkinson scoring four touchdowns and Hollowell one. Billy Atkinson, who would go on to be selected all-state fullback, was player of the week.

## FRANKLIN . . . 40—KENBRIDGE . . . 0

Atkinson opened the scoring after Tony Surace had recovered a fumble on the Comet six. The next two scores were by Hollowell on a 60 yard run and by Wayne Barker on a 47 yard run. Then Hollowell again scored on a run; Eubanks intercepted a pass and ran it back to the Comet 15. Rabil hit Bobby Burgess on a pass for the next score, and later Waite Rawls ran 63 yards on a recovered fumble for the score. Surace kicked his fourth extra point of the night. Fred Hollowell, who picked up 126 yards rushing, was voted player of the week.

## FRANKLIN . . . 13—POQUOSON . . . 0

The first score of the stout defensive battle came in the third period with Atkinson running the ball over after Deshields had hit Eley on a beautiful 50 yard pass. The Bronco defense thwarted a serious defensive threat by Poquoson. Dickie Surace ran an intercepted pass from the 47 for a touchdown. Dickie, after an outstanding defensive game, was named player of the week.

# FRANKLIN...41—JOHN YEATES...0

Tony Surace recovered a blocked kick on the John Yeates' 12, and Underwood scored on the next play. Atkinson then scored from the 4. Whitehead recovered a fumble on the Rebel 19, and Atkinson scored on a run. Hollowell scored on a pass from Deshields. The sixth Bronco touchdown came when Deshields ran 28 yards. Atkinson scored the final tally on an 18 yard end run. Tony Surace, who led the Bronco defense in tackles all season, was player of the week.

# FRANKLIN...33—WINDSOR...6

The large homecoming crowd watched the Broncos make it six straight. Bobby Eubanks recovered the first of his two fumbles, and Atkinson went over from the four. Hollowell and Underwood made the next two scores. In the fourth quarter, Atkinson scored from the one; and freshman quarterback Roly Purrington hit Hollowell for a touchdown. Underwood, the speedy Franklin halfback, and Danny Morgan, the big defensive end, were players of the week.

## FRANKLIN . . . 13—SMITHFIELD . . . 0

A tremendous crowd packed the Smithfield stadium to see a game that was rated as a formidable test for the Broncos. Danny Morgan scored on a beautifully executed pass play from Deshields. Atkinson went over from the one for the Broncos in the fourth period. The mighty Bronco defense allowed the Packers only 43 yards. Frankie Rabil, Freddie Hollowell, and Bobby Burgess all made key interceptions. Rabil and Frankie Whitehead were chosen players of the week.

## FRANKLIN . . . 20—JAMES BLAIR . . . 0

A tense crowd went wild when Atkinson broke away for a 77 yard touchdown. Atkinson scored again in the third quarter, running through the middle of the Jaybee line. Surace split the uprights to make it 14-0. Underwood went around right end for the next score. Ricky Clark, Alan Morris, and Bobby Burgess were cited for their fine play and named players of the week.

## FRANKLIN . . . 7—SOUTHAMPTON . . . 6

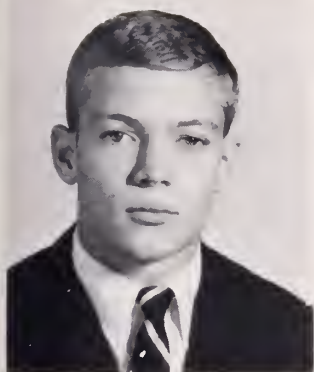

One of the largest crowds ever to see a game in the Franklin Stadium watched one of the most thrilling games ever seen there. The Indians scored on a pass in the first period, but the conversion attempt was wide. Atkinson went over in the fourth period on a vital fourth down play. Everyone was on his feet when Dickie "The Toe" Surace made the kick that immortalized his foot. The tough Franklin defense stopped the last Southampton threat. Waite Rawls, the fine Bronco guard, was named player of the week.

## FRANKLIN . . . 27—NORTHAMPTON . . . 0

Doodle Underwood broke the game open in the second period on a spectacular 70 yard punt return. Dickie Surace scored the first of his three extra points of the game. Billy Atkinson climaxed his scoring title with a touchdown on an intercepted pass. In the third and fourth quarters, Atkinson scored on runs of two and three yards. Donald Blythe and Roger Spence were cited for their fine play.

Coach  
Lassiter

The Junior Varsity football team kept right in step with the Varsity team to go all the way for an undefeated season. We were all very proud of the J.V. team, for we realize that soon they will become the Varsity Broncos. The combination of hard work by the players and the expert coaching of Mr. Lassiter showed once again that one gets out of a sport what he puts into it.

## WESTERN DIVISION CHAMPIONS

Everyone expected the Broncos to be a tough team this year, and they were just that. Coached by Mr. Culbreth, the boys compiled a 14-3 mark in regular season play. Their 7-1 conference record was enough to give them first place in the Western Division of District I. Sparked by Westbrook Parker and Billy Atkinson, the team showed their class with victories over Smithfield and James Blair in their final two games of the season.

# TOURNAMENT

The conference champion Broncos opened their tournament play at Frederick College in a game with Poquoson. The Bull Islanders came on strong at first, but the seldom-beaten Broncos kept their poise and won easily 59-45.

Everyone in the gymnasium was tense as the game began between Franklin and James Blair for a berth in the finals. The game was tied until James Blair went ahead by one point with 13 seconds left. A gallant effort by the Broncos fell short and James Blair won 45-44.

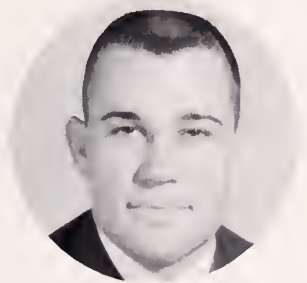

On the final night, the Broncos, not recovered from a one point loss to Blair, played a close game all the way but dropped the consolation game to Smithfield 55-49.

## J.V.'s HAVE 10-2 SEASON

The J.V. basketball team, coached by Mr. Lassiter, kept in stride with the J.V. football team by having a magnificent season. Losing only two close games to a tough James Blair team, the 1965-66 team set a new school record for the J.V.'s by winning ten games in one season. The team was led by Roly Purrington and Tommy Johnson on the boards and in scoring. Council, Turner, and Finley also did a fine job.

The J.V.'s will be sending many fine players up to the varsity next year, but they will also be looking forward to another fine season.

# A SCHOOL ENDS ITS ROLE IN EDUCATION

## FHS 1966

Franklin High School began its role in education in 1923. FHS is now ending this role in 1966, but only the building; for education is not the edifice but the teachers and the students. As of June, 1966, high school students will not attend "ole FHS" anymore. Instead, they will attend a new school with more room and more facilities for a better education.

As the alumni of FHS have learned, the memories of high school are not of the building but of the friends and the experiences gained there.

# ADVERTISEMENTS

To Arnold Petty,

Bob, I've really, truly, assuredly, enjoyed knowing you all these years. The good ole days in Pacio Court, mid night ally, cocoa puffs eaten like a dog, will always be remembered. Try always to maintain your high

and remain as well respected as you are. Good luck in your future years at FHS. I know you will do well (basketball golf etc) See you this summer.
